

DAWN WASHCO SCHOOL, KASARA – MAU

(Academic Annual Report of 2019-20)

The past academic year (2019-20) has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CBSE format and have been extremely successful in all of our endeavors. Apart from preparing the children to excel on academic grounds, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that students who are studying in our school reflect the values they have inherited.

- ❖ Like every year this session also began with the orientation programme for the parents (from classes Preprimary to XII). The programme made the parents aware of the scheme of education.
- ❖ The most valuable resource that any school can have is its staff. Our teachers are reflective and responsive to students needs and there is quality commitment from our school community. Dawn Washco School focuses on supporting all students to reach their full potential academically, socially and emotionally. Our staff have high expectations and adopt a wide variety of innovative teaching practices to find the best way to reach every student.
- ❖ Environmental Education:- The students were a part of the movement to save environment by planting large no. of trees and completing cleanliness activities motivated by Swachha Bharta Abhiyan.

- ❖ Our school is using various energy saving electrical equipments.
- ❖ A general meeting with teachers and parents is held on a regular basis and new members of the PTA were nominated for the year 2019-20.
- ❖ Competitions and other academic activities were conducted that go beyond the text books and the classrooms, encourage and foster a healthy and competitive spirit and effective communication skills in the students. Some of these events are hand writing, essay, speech, slogan writing, G.K. quiz... etc.
- ❖ Art and craft exhibition is also conducted in the school which produces a lot of beautiful works and students willingly contribute to its success.
- ❖ Various trainings, seminars and orientation programmes are conducted for teachers and students.
- ❖ Co-curricular and extracurricular activities are an essential part of the life of an educational institute. Some of these activities are fancy dress competition, Rakhi making, Mehndi design, chart making, as well as Diya decoration and Rangoli making.
- ❖ Games and sports develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind the school provides various opportunities for students to perform regular exercises and yoga. Many students have participated in various events like athletics, badminton, basketball, cricket etc.
- ❖ National festival like Republic Day, Independence Day and Kargil Vijay Diwas were celebrated with due

reverence for our motherland with patriotic songs and dances.

- ❖ In inter school competitions of hubs of learning, created by CBSE in which six schools took part, students of DWS displayed their talents and achieved success in the following fields:-

Antima Singh (Class XI) grabbed the 1st prize, Mohd. Zeeshan and Aqsa Miskat from class VIII got 2nd prize and Bhavya Omar from class IX won 3rd prize in debate competition.

- ❖ Also on Janmasthanmi programme in police line, our school students showed their potential in dance in singing and received certificate.

- ❖ This past year we are very happy with our result of class X with highest percentage 96% and of class XII with highest percentage 94%.

But starting with March 2020 came an unfortunate incident, the Covid-19 pandemic. Some processes of final examination are affected by this and they are still postponed, as of today.
